PM SESSION · DROP-OFF

12:00 PM

Pick-up at 3:30 PM

Daily Pack List — Everything fits in one bag!

- ☉ **Sunscreen** — applied before drop-off & packed for reapplication
- ☉ **Lunch + snack** — packed from home, nut-aware please
- ☉ **Change of clothes** — a full outfit in a zip-lock bag
- ☉ **Closed-toe shoes** — worn at drop-off for outdoor activities
- ☉ **Bug spray** — we spend time outdoors every day
- ☉ **Water bottle** — labeled with your child's name
- ☉ **Water shoes or sandals** — for water play activities
- ☉ **Any comfort or sensory items** — a favorite fidget, stuffed animal, or anything your child absolutely needs to feel at home

Label Everything

- Write your child's first and last name on every item — water bottle, bag, shoes, clothing, and lunch box.
- Use a permanent marker or iron-on labels — stickers tend to fall off during water play.
- Lost & found is cleared every Friday — unclaimed items are donated after one week.

Good to Know

- **No electronics** — phones, tablets, and handheld games stay home. Comfort devices (e.g., a specific video for transitions) are fine — just let staff know.
- **Medications** — must be in the original labeled container with a completed medication authorization form on file.
- **Absences** — please call or email as soon as possible, no later than 6:00 AM for same-day absences. All other planned absences must be communicated before the start of camp.

Bring What Makes Your Child Feel Safe

Every child is different — and that's exactly why they're here. If your child has a comfort item, a preferred snack, a specific sensory tool, or anything else that helps them feel settled and ready to have fun, please pack it. Our staff will always follow your child's lead.
